

Dear Friend:

We invite you to join the New Jersey Federation of Republican Women, Inc., founded in 1930, and a charter member of the National Federation of Republican Women, the oldest women's political organization in the United States.

Whether you wish to run for political office, manage a campaign, support Republican candidates, or just keep informed politically, the NJFRW is in the forefront in assisting women to achieve their personal and political goals.

An annual state chapter meeting, a biennial national convention, newsletters, informative national website, local club meetings, seminars and social events contribute to making membership in the NJFRW a meaningful experience.

OUR MISSION IS . . . .

- To encourage women to participate in the Republican Party;
- To strengthen our objectives through diversity;
- To provide educational events designed to increase the effectiveness of women in the cause of good government;

- To recognize and encourage qualified women to develop into political leaders; and,
- To support the candidates and policies of the Republican Party for the betterment and advancement of the people of New Jersey.

HOW TO JOIN . . . .

- Through a local unit club or county federation in your area. Dues are paid directly to your local unit club or county federation affiliated club.

OR
